

POTRERO

MALBEC

HARVEST
DATE:
March 2020

DENOMINATION
OF ORIGIN:
GUALTALLARY,
Valle de Uco, Mendoza

COLOR: Red
WINE TYPE: Still
GRAPE TYPE: Malbec

The greatest expression of the Malbec from Gualtallary, which combines fruit purity with the floral and mineral notes from the terroir. A wine which though fresh and easy to drink is honest and complex. A difficult vintage which in the end rendered outstanding results due to the unexpected lower yield.

VINEYARD CHARACTERISTICS:

Vineyard planted in 2008. Essentially calcareous soils.

VINIFICATION:

Traditional, in concrete vats/ eggs at approximately 30 °C. Cold maceration for five days. Fermentation is started by indigenous yeasts and then continued by the inoculation of selected cultured yeasts (15 g/Hl). Extraction practices are decided with a view to obtaining well-structured wines.

AGING: 6 months in second and third use oak barrels.
